

# **GUIDELINES FOR TRAFFIC SIGNAL CONTROLLERS AND INSPECTION**

## **Privately Funded Projects Without A Cooperative Agreement - Project Proponent Pays Costs for Controllers**

A current fee of \$5,600.00 per controller assembly has been established, which includes the controller unit, cabinet assembly and all auxiliary equipment. This fee will be updated annually, if necessary, after determining the average actual cost for the State to acquire, test, stock and ship each complete unit. The fee should be included in the deposit for permit inspection that is paid prior to issuance of the encroachment permit to the contractor. In cases where there is a long lead-time before starting work, this fee may be submitted immediately prior to performing work on a signal system. In addition, the districts must collect a fee for 15 hours of inspection to cover TransLab costs to test the remainder of the traffic signal components that are supplied by a contractor for each signal system. Districts should also determine and charge additional fees covering the actual loaded cost to deliver, install and turn on traffic signal controllers.

## **Projects Involving Cooperative Agreements - Project Proponent Pays Costs For Controllers**

The traffic signal controllers, and all other actual costs incurred by Caltrans, are charged against the appropriate Cooperative Agreement Expenditure Authorization. When there is State participation in the project, the State's share of the actual costs of the project will be reduced by the actual cost of the controllers which include controller fee, testing costs and any other mandatory charges.

## **Procedures to Order Controller Assemblies from the State Warehouse**

To allow time for delivery to the District, controller assemblies shall be ordered from the Sacramento warehouse a minimum of 10 working days before a permittee plans to pick up an assembly in the district (controller not included). Caltrans Maintenance or Traffic staff will deliver actual controllers and auxiliary equipment to job sites at the time of a scheduled signal turn on.

## **Charges for Encroachment Permit Projects**

As each controller assembly is ordered, the districts shall instruct the Caltrans warehouse in Sacramento to charge the equipment to the Encroachment Permit Expenditure Authorization (EA) [937700](#), using Subjob EPIC and Object Code 118. A Special Designation (SD) of 7CONTROL must also be used if the permittee has paid a fee for the equipment.

## **Charges for Cooperative Agreement Projects**

For Cooperative Agreement projects, the district should instruct the warehouse to charge the equipment to the appropriate Cooperative Agreement EA, with any applicable SD identified for the project (do not use an Encroachment Permit EA or SD on these Cooperative Agreement Projects).

**Fees for Traffic Signal Controllers and Inspection**

TYPE OF PROJECT	PROJECT FEE PAYMENTS		
	CONTROLLER	INSPECTION	DELIVERY AND INSTALLATION
PRIVATELY FUNDED	YES	YES	YES
LOCALLY FUNDED W/O AGREEMENT	YES (Paid by Contractor)	YES (Paid by Contractor)	YES (Paid by Contractor)
JOINT FUNDED PROJECTS WITH COOPERATIVE AGREEMENTS	YES (As part of State Contribution and Charged to Coop EA)	YES (As part of State Contribution and Charged to Coop EA)	YES (As part of State Contribution and Charged to Coop EA)
100% SPECIAL FUNDED PROJECTS WITH AGREEMENTS	YES (Charged to Coop EA)	YES (Charged to Coop EA)	YES (Charged to Coop EA)

# MODEL 170/2070 TRAFFIC CONTROL EQUIPMENT

<b><u>ITEM NUMBER NAME</u></b>	<b><u>DESCRIPTION</u></b>	<b><u>UNIT PRICE*</u></b> <b><u>(Approximate)</u></b>
7440 0100 1 Cabinet	Model 334C Cabinet for Type 170 Controller	\$2,963.00
7440 0102 5 PDA 2	Power Distribution Assembly 2	\$642.00
7440 0103 7 PDA 3	Power Distribution Assembly 3	\$571.00
7440 0130 4 Modem	Model 400 Modem	\$102.00
7440 0131 6 Harness	C2P Modem Interconnect Harness	\$25.00
7440 0136 7 Modem	Model 6A Modem (Model 2070)	\$535.00
7440 013 9 Modem	Model 6B Modem (Model 2070)	\$563.00
7440 0173 4 Controller	Type 170E Controller Quad ACIA	\$961.00
7440 0175 9 CMS	Changeable Message Sign (CMS) Model 500 System	\$43,600.00
7440 0177 3 CMS Cabinet	Model 500 CMS Cabinet	\$5,596.00
7440 0179 7 Cabinet	Model 332A Cabinet for Type 170 Controller Unit	\$3,410.00
7440 0181 1 CMS	Changeable Message Sign Model 510 System	\$50,146.00
7440 0186 2 Controller	Model 2070 ATMC	\$3,657.00

NOTE: All items are expressed in unit or each. \*Mark up has been applied.
